²*Affiliation of co-authors, Address*

**E-mail address is stated only for the corresponding author.*

Abstract

The Abstract is positioned at the very beginning of the article and summarises the whole article. It is usually brief and written in a single paragraph. The abstract contains only the abstract text and does not contain references, figures, or tables. The abstract should not exceed one page.

Key words: maximum 6 words.

Introduction

The paper should be written on the pages of A4 format including text, attachments and illustrations (figures, tables, equations, references). Font of the text should be 12 pt, Times New Roman.

Chapter 1 (e.g. Experimental Part)

- Margins: top and bottom 2.0 cm, left 3.0 cm and right 1.5 cm, single spaced
- Title (centered alignment)
- Subtitles 12 pt, bold (left alignment)
- Text (justified alignment)
- Figures, captions below the figures, 11 pt, italic (centered alignment)
- Tables, captions above the tables, 11 pt, italic (centered alignment)

Chapter 2 (e.g. Results and Discussion)

The International System of Units should be used. Detailed mathematical expressions should be avoided, unless they are the subject of the paper. Pages should not be numbered.

Authors should prepare images of adequate quality. Images cannot be scanned. The text and signs in the illustrations should be visible and readable.

Conclusions

References (APA style)

1. Author, A.A. (2016). Article title. *Journal Title*, 13(4), 147-157.
2. Author, A.A. (2016). *Title of work*. Belgrade, Serbia: Publisher.
3. Author, A.A., & Author, B.B. (2016). *Title of work*. Belgrade, Serbia: Publisher.

Sort the reference list in alphabetical order.
