ACADEMY OF SCIENCE AND ARTS
OF REPUBLIC OF SRPSKA

Dear colleagues,

It is our privilege and special pleasure to invite you to the 6th International Congress "Engineering, Environment and Materials in Processing Industry". University of East Sarajevo and the Faculty of Technology in Zvornik have chosen Jahorina for its International Congress which is scheduled on March 11th – 13th, 2019.

Authors from universities, institutes, research centers and industry are encouraged to present their work at this Congress. The scientific program will be organized through plenary lectures, oral and poster presentations.

Plenary lectures will be held by eminent experts who will share with us the most recent innovations in the field of engineering, environment and materials.

We rely on the most meaningful participation of many colleagues from all over the world in order to make this Congress even more successful than the previous one.

Thus, we are looking forward to welcoming you to Jahorina, one of the most beautiful mountains in this region.

Best regards,
Prof. Miladin Gligorić
Chairman of the Organizing Committee
